Academic - 20%

Please submit:

1. An official transcript from your secondary school noting all your high school courses and grades.
2. An official transcript or record from your current post-secondary institution noting your courses and marks showing successful completion of first year.
3. A letter with official institution stamp or signature to verify your enrolment in second year at any post-secondary institution. This letter must be dated after official enrolment and may be submitted as an addendum to your application immediately after you enroll.

Financial Need - 20%

Outline your financial situation in general terms and how you would plan to use the scholarship funds if you were a successful candidate. Remember receipts of justifiable educational expenses will have to be submitted at a later date to facilitate issuing of scholarship monies to successful candidates.

Give number of brothers/sisters who are currently enrolled in or have graduated in the past two years from post-secondary education.

List other scholarships: _____

1. Received (include year): _____
2. Applied for this year: _____
3. Accepted for this year: _____

Discretion - 10%

The committee will be considering any exceptional circumstances relating to individual situations. Outline any points you feel would help the committee when reviewing your application.
